ACQUISITION COMMITTEE

The Acquisition Committee inventoried the McCullough Barbershop Collection. Cliff McCullough ran an Elgin Barber shop from the 1920s until WW II started. At that time, he left Elgin to help with the war effort. After the war, he returned to Elgin, buying the family ranch on Indian Creek. He passed away in 1948 at the age of 49-years-old.

CAMAS

Camassia quamash

Blue Camas is an important native food. The Grande Ronde Valley was at one time a sea of blue camas. The official flower of the Elgin Museum and Historical Society.
