The Elgin Museum and Historical Society is excited to announce that over 100 years of Elgin Records from 1895 thru 1980, The Elgin News and Union County Review from 1980-1981 are now available on line through their website at www.elginmuseum.org. This effort couldn't have happened without the generous grant from Oregon Heritage Commission, Oregon Parks and Recreation Department and the collaboration with University of Oregon in Eugene, Oregon and Advantage Archives in Cedar Rapids, Iowa.

The Elgin Museum and Historical Society wants to thank the Oregon Heritage Commission, Oregon Parks and Recreation Department for helping the museum provide a valuable historic source of information.
